CIP

Christian Intervention Program

Based in faith, this addiction recovery program understands that:

- We are loved and have value in God's eyes;
- God has a purpose and a plan for us;
- God restores broken families and lives.

Sponsored by the
Brazil United Pentecostal Church
1088 E US HWY 40
Brazil, IN 47834

About

CIP is a 20-week program that is both instructive on important topics for those recovering from addictions, but the class also provides an environment of peer support and accountability.

Graduates of the program are awarded completion certificates at an honorary commencement ceremony.

Topics

- Who am I?
- Coping with the Problems of Life
 - Parenting
- Firm Steps Toward Financial Freedom
 - Building Self-Esteem
- What Alcohol and Drugs do to the Family
- Christian Values that Strengthen the Family
 - Christian Morals and Values
- Developing Respect for Authority/Law Enforcement

Success

Of the students who have graduated our Adult CIP program, 86% have found freedom from addictions and remain so a year after completing the program.

The CIP program submits regular monthly progress reports to referring government or private agencies.

CIP has been introduced to the Clay County Court, Probation Programs, Family Support Services, Systems of Care, Clay County Substance Abuse Council, Department of Child Services, Indiana Attorney General, Rotary Club, and others.

The Christian Intervention Program is being used throughout the country as a proven faith-based alternative to alcohol and drug intervention/rehabilitation.

Costs

Participants must purchase the student packet at a cost of \$30.

The Packet will include :
